Last Summer...

Friends made more memories over the summer while building connections with new experiences and new people

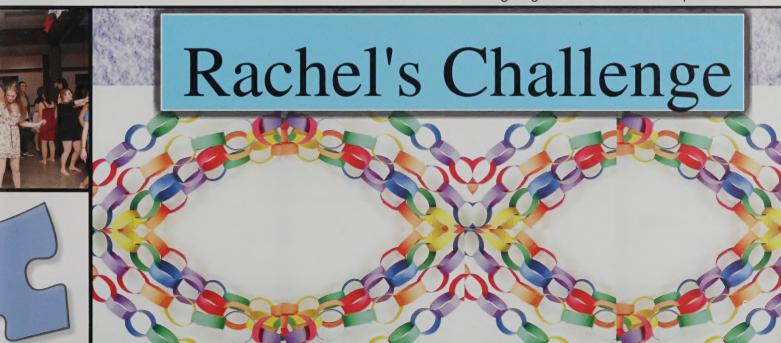

Rachel's Challenge came to Fermi High and most of the Enfield School District earlier this year. Rachel's Challenge is a series of student empowering programs and strategies that equip students and adults to combat bullying and allay feelings of isolation and despair by creating a culture of kindness and compassion. The 5 challenges include:

- 1. Look for the Best in Others
 2. Dream Big
- 3. Choose Positive Influences
 - 4. Speak with Kindness
- 5. Start Your Own Chain Reaction

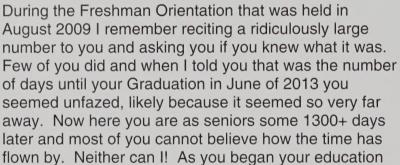

As a result of Rachel's Challenge, Fermi High School now has a Friends of Rachel Club (FOR Club). The club is made up of students who simply want to improve our school by committing acts of kindness and compassion throughout the school year.

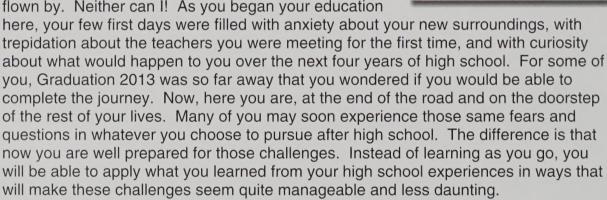

Fermi accepts Rachel's Challenge by signing their names on this poster

As you look back over these past four years I hope you realize the tremendous impact that you, the Class of 2013, have made on our school. You have been leaders in the classrooms, in musical and dramatic performances, in the athletic arenas, in school government, and in numerous school activities. I am very proud of you. It is my sincere wish that you will always remember that you are part of our Enrico Fermi High School family and that you know that you will always be welcome here. Good luck to each and every one of you!

Sincerely, Paul K. Newton Principal

Dear Class 0f 2013,

"To everything there is a season, and a time to every purpose under heaven"

The turning of your high school years has given you many experiences: times for excitement and times for routine; times for speaking and times for listening; times of frustration and times of resolution; times to wait and times to grow; and times to stay and times to go.

Although I have been your assistant principal for senior year alone, I feel that we have gone through many of these times together. I am hoping that you have learned as much as I have, and have had as much fun and enjoyment as I have had. They say that in a class, what you learn and hear in the first five minutes is what you will remember. As you are my first graduating class as an assistant principal, the memories that we have created and experienced together will be with me forever. It is now your turn to go and begin the next chapter in your life. May you ponder the memories and cherish the friendships — and face the future with a purpose.

You are a wonderful group of young adults and I have been so lucky to be a part of your lives. I wish each of you all the happiness and success that one life can hold.

Sincerely,

Ms. Marilynn Cressotti

A Note from the Senior Class President

Dear Class of 2013,

I think it's safe to say that our high school experience has been slightly more difficult than most. We've dealt with things no teenagers should ever face, but at the same time, we've come together for some remarkable moments that we definitely will never forget. I think that's one of the keys to life – picking yourself up when things get hard. It's about taking these hard times and turning them around to make something beautiful.

We've witnessed each other grow and change and as we move forward with our lives, it's amazing to step back and look at how far each of us has come. I'm proud to say that you all are my peers. We're all so completely different and unique and honestly, just special. We've never been typical, so as we head in to the future lets only look back to remember those we've lost and reminisce on the great memories while we work our way to success. Try not to forget where you came from, because we have so much to be thankful for. Congratulations for being where you are today, I'm so proud of you.

Love, Abby Balint

Out of the Darkness

On September 30th students participated in the Out of the Darkness Walk to prevent suicide. The walk took place in Springfield, MA. Students walked in memory of Dillon Barnaby and Meghan Leroy.

15 MILLION SUFFER FROM

DEPRESSION EACH YEAR

Rays of Hope

In October, students, teachers, friends, and family all walked together to help find a cure for breast cancer. They walked to support those battling breast cancer, in memory of those who have been lost to breast cancer, and to celebrate with those who have won the battle against breast cancer and survived.

Team Captain

Jess DellAquila

I am very proud of my team and what we have accomplished this year. I am most proud of our participation in community service, a brand new aspect of our cheer season. This year we volunteered at the Out of the Darkness Walk, Making Strides Against Breast Cancer Walk, and Shoprite's Fight Hunger Program. This is also the first year we've had a Homecoming Float! I enjoyed leading an amazing group of girls, but I could not have done it without the help of our Coach Dennis Barfield. Dennis and I are very proud of the hard work and dedication all the girls have put into making the Fermi Cheerleading Program a great one. I wish all of my girls the best of luck next year, and I will miss them all very much!

As captains I think that we can truly speak for everyone when saying this season has definitely been a season to remember. Who knew that starting off our season 1-7 could take us to a final record of 7-9. Everyone's dedication to the sport, the team and each other has not only made us stronger players, but it has also made us stronger people. We may have gone through rough times, but those were patched up by incredible memories we will carry with us for a lifetime. We, as captains were truly blessed to be able to lead such an incredible group of girls this season. We got along like friends and fought like sisters because at the end of the day we are one family who will forever be connected through this great sport. Good luck to the rest of the team, we will miss you greatly. Never forget to play with heart.

Boys' Soccer

Even though this was not one of our stronger seasons, it was by far our favorite. These boys are my family, and I have played with them since I was 9 years old. We went out like seniors should, and I will truly miss playing with all of them next year. I'll regret what it could have been, but always cherish what it was.

-Your Captain, Conor Glettenberg

This year was by far the most intense year. Fermi soccer has proved that we are one of the top teams in our conference and in our state. This senior class was very close and our team chemistry was like no other. I have been playing with these boys since my early years of soccer. I will truly miss this family but I believe that we went out like seniors should.

-Your Captain, Adrian Case

I will never forget Coach Russell. I have never had a coach change so much in only one season. He and all of the seniors made coming back to soccer a worthwhile experience.

Girls' Soccer

This season was a very interesting one. As a team, we had a big job ahead of us to step up and fill in the spots that were left by alumni but we worked hard and spent every day practicing to the best of our abilities and it definitely paid off. Our girls worked so hard to get the record that we did and we are so proud of them. Most of us have been playing together since elementary school and playing together for the last time this season has been amazing. We wish all of the seniors good luck with whatever they go on to and good luck to the underclassmen that are the new leaders of the Fermi Girls Soccer team. We're certain all of you will have great seasons in the future. We'll miss you and love all of you guys. Soccer sisters forever.

Thank You!

A Special Thank You to:
Our amazing yearbook staff:

Kelsie Atiyeh, Courtney Marquardt, Shanyn Dudley, Molly Kajdan, Katie Bertrand, Audra Sferrazza, Crystal Hamilton, Jess DellAquila and Olivia Baillargeon.

Our awesome advisors:

Mrs. Joeckel and Ms. O'Rourke

The very helpful office secretaries:

Ms. Daddario and Ms. Macintosh

Gary Rome:

for generously donating a car every year to one of Enfield's senior class.

Grynn and Barrett:

for providing us with all our superlative, club and sports photographs. All of our sports teams for providing us with records and captains letters. All of the students who provided us with ideas and photographs for the yearbook.

Letter From the Editors

Working on the yearbook this year has been not only fun, but also challenging. Many times we've pulled our hair out trying to meet deadlines. We couldn't have done any of this without our amazing staff, who have been so dedicated to helping us. Without them, the yearbook would not look as good as it does. We had a great time working together, brainstorming ideas and getting to know each other. This experience was a great way to spend our senior year, and we hope you all enjoy our hard work and are as proud of the yearbook as we are. We wish you all luck after graduation and know you all will do great things!

Sincerely Your Editors, Amanda Crane & Samantha Geissler
